

Premises Licence - Minor Variation Information Pack

If you already hold a Premises Licence or Club Premises Certificate issued by Suffolk Coastal or Waveney District Councils or East Suffolk Council then you will have some form of authorisation to carry out one or more licensable activities.

The minor variation process can be used to make variations to a licence or certificate, but only those variations that would have no adverse impact on the promotion of any of the four licensing objectives: namely, the prevention of crime & disorder, public safety, the prevention of public nuisance, and the protection of children from harm.

Minor variations generally fall into four categories:

- Minor changes to the structure or layout of the premises;
- Small adjustments to licensing hours;
- The removal of out of date, irrelevant or unenforceable conditions or addition of volunteered conditions;
- The addition of certain licensable activities.

The minor variation process cannot be used to:

- Extend the period for which the licence or certificate has effect;
- Transfer the licence or certificate from one premises to another;
- Specify, in a premises licence, an individual as the premises supervisor;
- Add the sale or supply of alcohol as an activity authorised by a licence or certificate;
- Authorise the sale or supply of alcohol at any time between 23:00hrs and 07:00hrs.
- Include the alternative licence condition referred to in section 41D(3) in a premises licence.

In all cases the overall test will be whether the proposed variation could impact adversely on any of the four licensing objectives and the combined effect of a series of applications would also need to be considered.

The determination of a minor variation application will be made within a period of fifteen working days beginning on the first working day after the application is accepted by the Licensing team.

There will be no refund for a refused application so we encourage consultation with a member of the licensing team prior to application.
