

SUMMER 2019 REPORT

Framlingham & Surrounding Areas

19%

of young people want a provision such as a cinema. Although a cinema would require a company to create one, and a lot of money, Louise from East Suffolk communties team says this; "We have recently facilitated movie nights in Wenhaston that were a massive success. A free event, complete with popcorn and a popular film. Our team are looking to replicate this in the Framlingham area and will be seeking an appropriate premises to hold it."

THINGS TO DO

Ideas have been put forward by the young people of what they would like to see happen in their area;

- Events at Framlingham Castle
- A Youth Cafe
- A Basket Ball Court
- A Rock Climbing wall

Are you an organisation with these facilities? Get in touch!

Young people have noticed the amount of cigarette butts that are littered on the floor, and are concerned about the harm it is doing to the environment.

#BINTHEBUTT

is a new campaign developed by Keep Britain Tidy for local authorities, to help stamp out the smoking related litter issue.

The #BinTheButt campaign aims to raise awareness amongst smokers and highlight the link between the cigarette butt they drop on the street or down the drain and the impact it has on the marine environment.

Dropped cigarette butts are the most common form of littering, found on 79% of the 7,200 sites surveyed as part of the recent Local Environment Quality Survey of England 2017/18.

As well as plastic, cigarette filters are comprised of thousands of chemical ingredients including arsenic, lead and nicotine, all of which can leak into marine environments. According to studies, just one cigarette butt per litre of water is highly toxic to fish.

EAST SUFFOLK PERIOD POVERTY

Councillors have joined together and donated over £18,200 from their Enabling Communities Budgets to support the scheme. We are asking local businesses, clubs and organisations to get involved to help end period poverty in East Suffolk.

Boxes, known as 'PP Boxes', which contain a range of individually wrapped sanitary products, are available in community locations such as cafés, food banks and sports centres. The project does not displace any existing schemes, but will promote them on the website www.eastsuffolkperiodpoverty.com

#ACTIONAGAINSTKNIFECRIME

Over 1 million young people voted in Make Your Mark 2018 – the UK's largest youth ballot! The top priority out of 10 hot topics in Suffolk was Knife Crime. MYPs (members of youth parliament) have been working hard to develop information and resources for you to use in school/youth groups. Do the discussion activity in tutor time then download, print and display the two myth-busting posters!

Visit our dedicated page on The Source www.theseource.me.uk/endknifecrime for information and to download resources.
