

Plastics - Know your place in the community

“2,336 cigarette butts containing plastic fibres and harmful toxins were found across thirty streets in Kirkley”

Thursday, 6th September 2018

Kirkley Centre, 154 London Road South

Lowestoft, NR33 0AZ

10:00 to 15:00 - Drop-ins 11:15 onwards

Oceans with more plastic than plankton, an island of plastic waste in the Pacific Ocean twice the size of France, and plastic waste inside our food?! Meet people from your community who want to take action, and find out how your involvement can make a big impact on you and your area.

Please email greenissues@eastsoffolk.gov.uk to book your place at our 10:00am film screening, or feel free to drop by anytime after 11:15am

Timetable for the day

10:00 – 10:45 – Film Screening of ‘A Plastic Tide’

**10:45 – 11:15 – Talk on recycling & waste management in
Suffolk with a Q&A session**

11:15 – 13:00 – Networking, lunch, access to general public

13:00 – 14:00 – Sea front litter pick

**14:00 – 15:00 – Litter weigh-in, final stall browsing and close
down**
