

Plastics - know your place in the community

“176 cigarettes in 50m—these contain plastics and chemicals and are getting washed down drains, some of which may release directly into rivers”

Wednesday, 26th September

Riverside
4 Canning Rd
Lowestoft
NR33 0EQ

6pm to 9pm, registration starts at 5.30pm

Another chance to watch ‘A Plastic Tide’ and discuss litter and plastic waste over yummy vegan and vegetarian food. If you have already seen the film don’t worry, just arrive at 6pm and you will have a chance to grab nibbles, look at stalls and buy plastic free goodies before the talks and workshops begin at 7pm. Come expecting to find out more about the plastics industry in New Anglia, results of litter audits and the role of plastic action champions.

Timetable

- 5.30pm to 6.00pm Registration, food, networking and looking at stalls
- 6.00pm to 6.45pm A screening of a Plastic Tide,
- 7pm to 7.15pm Introduction and keynote—The Greenprint Forum
