

JUBILEE COURT

What is Retired Living?

Retired Living Schemes are aimed at people who're over 60 years of age. They are self contained, purpose built flats with their own front doors, kitchens and bathrooms. They are available for both couples or single people and offer independence with support if and when needed. They provide good quality accommodation that has comfort and security, and provides 24 hour support for residents with the provision of a pendant in case the resident has a fall or becomes ill.

Your Retired Living Scheme

At Jubilee Court we have 17 one bedroom bungalows and two 2 bedroom bungalows. We have a diverse mix of tenants, both male and female, who are all very friendly and welcoming. We are located in the small town of Halesworth, with the stunning scenery and unique town centre you're sure to find a way to relax.

Your Scheme manager

Hello, my name is Mel Snowden and I am the Scheme Manager for Jubilee Court. I live on-site at flat 22 and will be happy to answer any questions you may want answered. It's my job to give you assistance with issues you may have and to help you live as an independent person.

Security in and around the scheme

Each individual bungalow has an intercom system fitted with the main unit situated by your front door. We have this in place to make sure you're as safe and secure as possible. Tenants are also provided with pendants in case they need to summon help in an emergency.

Fire Protections

All flats are fitted with smoke detectors that are tested regularly. On the back of all the flats front doors are a set of instructions on what to do and where to go in the event of a real fire. Our fire alarms are tested on a weekly basis to ensure they are in full working order.
