Subject: RE: Waveney Local Development Framework - Community InfrastructureLevy Submission

Dear Sir/Madam,

I write in connection with the Council's Draft Charging Schedule Statement of Modifications. On behalf of CUK I wish to register support for proposed modification M1 which proposes the deletion of the £65 per sqm charge for residential care homes and nursing homes. The reason for our support is set out in our earlier representations dated 15 November 2012.

At this stage we would reserve the right to appear at the forthcoming examination, but in the event that there are no objections to the proposed modification, we would withdraw our attendance.

I would be grateful if you could acknowledge receipt of this email.

Kind Regards

Adrian Kearley
