

## GREAT BEALINGS: Summary of Representations Submitted to the Examiner

Name	Summary of Representation Submitted
1. National Grid (Amec Foster Wheeler)	No objection. Assessment carried out in relation to gas and electric transmission apparatus
2. Environment Agency	No objection. Checked the constraints of the neighbourhood plan area and confirm compliant and satisfactorily addresses Environment Agency constraints within Environment Agency remit
3. Anglian Water	No issues or concerns
4. Strutt & Parker – Charles Loyd (on behalf of owners of Grundisburgh Estate)	Plan contains many positive features. However should be more encouraging of communicating with owners of assets of assets to understand their needs and desires rather than restrictive document concentrating on retaining something that evolved over time rather than something that will evolve over time by following plan.
5. M. Aldridge	Landowner within plan area attempting to develop cottage so he can live there. Considers plan changes clearly designed to frustrate such development plans. Wider objectives noble but used to further personal objectives of few.
Hasketon PC	Request for information re-sent to correct parish council contact. Information re-sent. No further comment received.
