Dear Sir or Madam,

Trimley St Mary Neighbourhood Plan Area Designation

Thank you for consulting Suffolk County Council on the matter of designating a neighbourhood plan area for a future Trimley St Mary Neighbourhood Plan. The county council has no objection to the area as proposed in your email dated 7th February 2017. However, as the plan is developed, appropriate consideration will need to be given to the impacts of proposals on other parishes in the locality.

The Plan may or may not impact on Suffolk County Council service responsibilities, depending on what the Parish Council is seeking to achieve. If the plan is likely to impact on any of the county council's services, such as transport or education (in particular), we would welcome the opportunity to discuss the Parish Council's proposals at an early stage in the plan's preparation. Potentially relevant county council services include:

- Archaeology
- Education
- Fire and Rescue
- Flooding
- Health and Wellbeing
- Libraries
- Minerals and Waste
- Natural Environment
- Public Rights of Way
- Transport

Please contact me via the details above if I or my colleagues can be of any assistance.

Yours sincerely,

Barbara Adamski
