Dear Local Plan Team

Neighbourhood Plan

I write in respect of the consultation on the Neighbourhood Plans for Woodbridge Town Council and Martlesham Parish Council. I live in the 'crossover' area for both plans. I consider myself fortunate to consider myself both part of Martlesham and part of Woodbridge; with the ability to access facilities and form relationships within both communities

My definite preference is for the two Councils to work together to agree proposals for the 'crossover area'. I believe that both Councils agree that development is unsuitable between Duke's Park, Sandy Lane, The Street and Ipswich Road and would like both plans to indicate this clearly.

Without knowing the broad intentions of each plan it is very difficult to chose an option

If, however, this co-operation is not possible I believe that Duke's Park provides a natural boundary for development and therefore for Neighbourhood Plan purposes I support Duke's Park being included in the Woodbridge Town Council Neighbourhood Plan.

Regards.

Jim
