Dear Hilary,

We would like to register our preference that the area known as Seckford Heights, which currently falls under both Woodbridge and Martlesham Neighbourhood plans, be included in the Martlesham Neighbourhood plan.

We have been residents here for 15 years and strongly believe that being part of the Martlesham Neighbourhood plan will best serve the interests and wishes of ourselves and our neighbours in terms of any proposed developments in this area in future.

Yours sincerely

Jon & Alison Harris
