Dear Ms Hanslip,

Martlesham Neighbourhood Area Consultation

I am writing in response to the current consultation on the proposed Martlesham Neighbourhood Area. As the owner of Martlesham Heath Retail Park, an established retail area which generates a number of jobs in the local area, I respectfully request membership on the proposed Neighbourhood Forum which will be responsible for drawing up the Neighbourhood Plan.

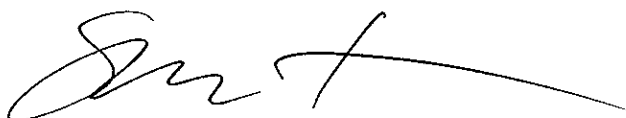

I understand that under the Localism Act, Neighbourhood Forum membership is open to those who live or work in the local area. I am the Asset Management Executive responsible for managing LondonMetric Property Plc's interest in Martlesham Heath Retail Park. The Retail Park lies within the proposed Neighbourhood Area.

I would like to join the Forum as a representative of LondonMetric Property Plc as any planning policies that come forward in the Neighbourhood Area are likely to affect the Retail Park and its surrounding environs. I feel that by joining the Forum, this will enable me to positively engage with the local community and help to secure a strong future for the neighbourhood.

I would be grateful if you could pass on my request to the Forum and consider it as part of your consultation.

Please do not hesitate to contact me should you have any questions.

Yours faithfully

Simon Meacock
