Dear Sirs

Thank you for your letter 12th February 2015 with regards Neighbourhood area designations consultation

Our opinion is that we should sit in the Woodbridge with part of Martlesham plan

As ex residents of Martlesham Heath for many years and having now lived in [REDACTED] for over ten years we very much see ourselves as Woodbridge residents and would feel that any plans for Woodbridge development would have more relevance to us

Living on [REDACTED] we have route access between both Woodbridge and Martlesham so appreciate traffic flow, as I am sure most of the residents further up [REDACTED] do who are actually part of the Woodbridge area

Therefore any proposed plans for development in this area have a more direct effect on Woodbridge residents as opposed to residents on Martlesham which is why we have the above preference

Hopefully this assists

Regards

Peter & Karen Lion
