Sources

Data sourced from Suffolk Observatory (Census 2011) except East Suffolk Council - area, new homes.

Please note - data from the 2011 Census was produced by the Office for National Statistics using a 'best-fit' method.

Consequently, the data does not necessarily map exactly to parish boundaries. Figures may not tally due to rounding.

This village profile contains a selection of data available for Parish and Towns in the District as of October 2019. Whilst every effort is made to ensure the accuracy of data it cannot be guaranteed free of errors.
