

Town and Country Planning (Local Planning) (England) Regulations 2012, Regulation 14

Recreational Disturbance Avoidance and Mitigation Strategy Supplementary Planning Document (SPD)

Adoption Statement May 2021

This statement is published by East Suffolk Council to fulfil the requirements of regulation 14 of the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended).

Recreational Disturbance Avoidance and Mitigation Strategy Supplementary Planning Document (SPD) was adopted by East Suffolk Council on the 4th May 2021. The SPD supports the implementation of the Suffolk Coast Recreational Disturbance Avoidance and Mitigation Strategy, which mitigates for the impact of increased housing growth on protected Habitat Sites.

Consultation was held on the draft SPD between 19th October 2020 and 7th December 2020. The Council has modified the SPD to consider representations made in relation to the document and any other relevant matters. Modifications arising from the consultation are set out in the Consultation Statement.

Any person with sufficient interest in the decision to adopt the SPD may apply to the High Court for permission to apply for judicial review of that decision. Any such application for leave to review the decision must be made promptly and, in any event, not later than 3 months after the date on which the SPD was adopted.

The Recreational Disturbance Avoidance and Mitigation Strategy Supplementary Planning Document (SPD), Consultation Statement, other supporting documents and this Adoption Statement are available to view on the Council's website:

In response to the current restrictions related to the Covid-19 pandemic, physical copies will be made available and posted out where possible (free of charge) on request for those that are not able to view the Statement of Community Involvement or supporting documents online. This provision is subject to review in relation to the practicality and possibility for documents to be made available in the Council's Customer Service Centres and in libraries for public inspection as the national restrictions currently in place begin to change.
