Draft Strategic Housing and Economic Land Availability Assessment

Map Book

July 2018 www.eastsuffolk.gov.uk/suffolkcoastallocalplanreview This document accompanies the Draft Strategic Housing and Economic Land Availability Assessment (July 2018) (Draft SHELAA), which should be referred to alongside the maps contained in this document. The term 'potential site' relates to those identified as suitable, available and achievable in the Draft SHELAA.

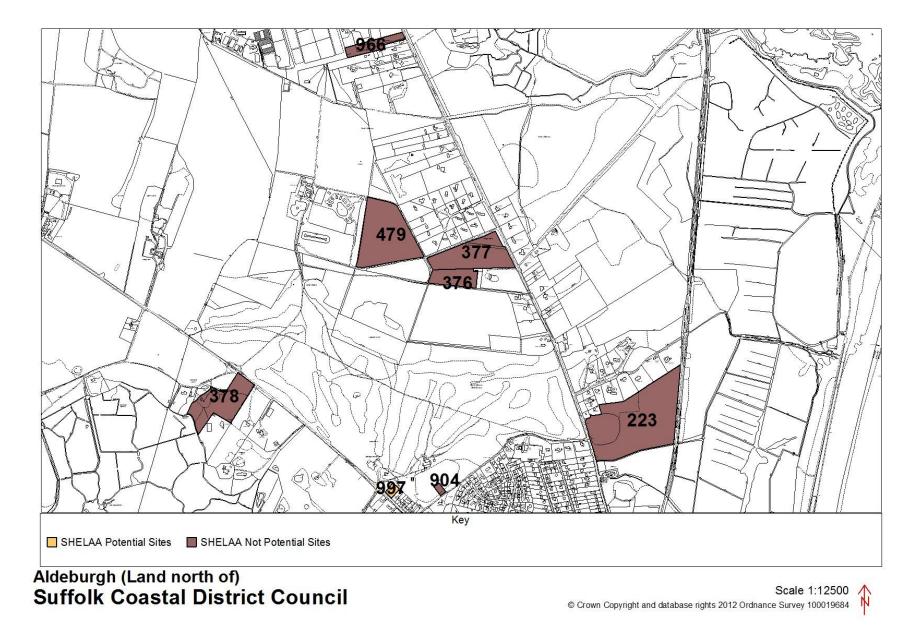

Identification as a potential site through the SHELAA process does not afford a site any planning status. The SHELAA is a technical document used to identify potentially suitable sites which are then considered further for allocation in the Local Plan.
