

CIRCULATED IN ADVANCE OF THE MEETING

ALTERATIONS AND ADDITIONS REPORT

11 December 2018

Item 8: DC/18/0813/COU – Broadland Sands Holiday Park, Coast Road, Corton

Conditions 11 and 13 to be removed as they all relate to surface water drainage and this is covered sufficiently in condition 8.

Additional condition to be attached regarding density and layout of the larger western site to address the density of the southern end closer to the Grade II listed Church.

Coastal Erosion and CEVA: still awaiting the updated version to address the missing portion as noted in the comments of the Coastal Management Team in paragraphs 6.14 and 6.15.
