1. INTRODUCTION

- 1.1 The Corporate Fraud Team covers both Waveney District Council (WDC) and Suffolk Coastal District Council (SCDC). The Team is managed by the Head of Internal Audit. The Corporate Fraud Business Plan at Appendix A represents the planned Corporate Fraud work to take place across the two Councils from 1 April 2018.
- 1.2 The Joint Corporate Fraud Team will continue to focus its approach on antifraud and error across the two partnership authorities and work will involve promotion of anti-fraud and error, training, education as well as prevention, detection and investigative work, under the partnership arrangements of the Head of Internal Audit, which covers Ipswich Borough Council.
- 1.3 The Financial Year ahead will continue to be a year of further development and enhancement in the field of corporate anti-fraud activity at both authorities under the partnership arrangements, given the ever changing face of fraud.
- 1.4 A key responsibility within the Audit and Governance Committee's terms of reference is to '...Monitor Council policies on... Anti-Fraud and Corruption'.

2. BACKGROUND

- 2.1 The Council maintains a zero tolerance approach towards fraud and corruption, and the existence of a professional Corporate Fraud Team demonstrates the Council's commitment to this objective.
- 2.2 Fraud is an act of deception carried out for personal gain or to cause loss, or a loss to another party. In the Public Sector fraud can be committed internally by workers or externally by suppliers, contractors and members of the public. Fraud covers a wide spectrum of activities and can affect all departments.
- 2.3 The Audit Commission, now known as the Public Sector Audit Appointments Ltd, along with other designated responsibilities, eg Head of Paid Service, Section 151 Officer, Monitoring Officer and Head of Internal Audit, requires local authority services to have in place an effective counter fraud strategy and plan. This report demonstrates that the Council has such a plan in place. Each year the Council's external auditors and Central Government (currently the remaining arm of the Audit Commission) note and comment upon the proactive work undertaken by the Council.
- 2.4 The Corporate Fraud Business Plan 2018-19 is a direct contribution to meeting the Council's objectives and a key contributor to enabling the Government's austerity measures in reducing public expenditure by reducing fraud.

3. HOW DOES THIS RELATE TO THE EAST SUFFOLK BUSINESS PLAN?

- 3.1 This report underpins the entire delivery of the East Suffolk Business Plan by supporting the governance environment in which it operates. The Corporate Anti-Fraud Business Plan aims to deliver a mechanism to prevent, detect and prosecute fraudulent behaviour and thus provide improved value for money given the finite local government resources available. The work of the Corporate Fraud Team is directly aligned to protecting the public purse and been designed to address the areas of concern identified locally and nationally as described within The European Institute for Combatting Corruption and Fraud (TEICCAF) and the publication entitled 'Protecting the Public Purse' 2016.

4. FINANCIAL AND GOVERNANCE IMPLICATIONS

- 4.1 The Corporate Fraud Business Plan 2018-19 works in conjunction with other fundamental documents; these form the foundations for Corporate Anti-fraud activity across the Council. Key supporting documents can be found on the Council's intranet and are listed as follows:

- Anti-Fraud and Corruption Strategy (incorporating Prosecution & Sanction Policy)
