

## **Simultaneous Meeting of SCDCs Scrutiny Committee and WDCs Overview & Scrutiny Committee**

**Thursday, 25 October 2018**

### **A joint review of Coastal Partnership East's future plans for the Suffolk coast, its existing projects and works**

#### **Remit and Scope**

1. To seek, review and scrutinise information on the full range of work being undertaken by Coastal Partnership East, both currently and planned, to the benefit of the coastline of the two Councils
2. Such information to include:
  - A review of Coastal Partnership East's Business Plan objectives and their delivery
  - Consideration of the value for money of services provided by Coastal Partnership East in the delivery of coastal management against the objectives of the East Suffolk Councils' joint Business Plan, Local Plans, and Core Strategies regarding Coastal Management etc.
3. The Committees to receive a formal report including the information at 1 and 2 above for its consideration and review at a simultaneous meeting on Thursday 25 October 2018. The report to be supported by, specifically, Coastal Partnership East's most recent Business Plan.
4. The Committees will wish to hear from the following at the meeting:
  - Councillor Smith, Cabinet Member for Coastal Management (SCDC)
  - Councillor Ritchie, Portfolio Holder for Coastal Management (WDC)
  - Philip Ridley, Head of Planning & Coastal Management
  - Bill Parker, Head of Coastal Partnership East
