

## Melton, Woodbridge and Deben Peninsula Community Partnership Grant Scheme 2021/22 – Guidance

**Deadline for replies: 1 January 2022**

---

There are 8 Community Partnership areas in East Suffolk, with each partnership having an agreed set of local priorities, and each partnership having a budget they can allocate to support these priorities.

The Community Partnership Grant scheme is available to Voluntary, Community and Social Enterprise (VCSE) organisations (VCSO), statutory agencies who are seeking to deliver added value projects to specific families or individuals and community groups who are located within the partnership area. The Community Partnership consider applications and award grant funding that reflects their local priorities.

It is advised that organisations read this guidance before writing and submitting their applications.

All applications **MUST** contribute to at least one of the priorities detailed below:

1. **The Youth Engagement Grant Scheme:** Offers funding to projects aimed at improving the opportunities and services available to young people. This could include providing new activities centred around life skills, fun or leisure or improving or creating new outdoor spaces or play equipment.
2. **The Village Hubs Grant Scheme:** Offers funding to projects aimed at creating or improving village hubs to the benefit of the wider community. This could include assistance in making premises in the area fit for use as a community hub or supporting mobile services in bringing provisions to a village.
