- Attend the Planning meetings for the Forum to help ensure the main Forum meetings reflect current and relevant topics and priorities.
- Encourage East Suffolk Council service areas to liaise and consult with both Forums when delivering work or projects which have the potential to impact on people with disabilities and their family carers.

- Champion the work of the Forums within and beyond the Council.
- Support the Cabinet Member for Leisure, Tourism and Communities to increase awareness of Equality and Diversity within the Council, with a particular focus on disabilities and the work of the Suffolk Coastal and Waveney Disability Forums.
