

EAST SUFFOLK WARM ROOMS

East Suffolk Council has co-ordinated a network of Warm Rooms across East Suffolk to provide a safe, welcoming space, hot drinks and a chance to connect with others for anyone struggling with heating costs during the colder winter months. The full list of venues is below.

Warm Rooms with an asterix next to them have been part-funded by the UK Government (through the UK Shared Prosperity Fund), with the remainder of the funding provided by East Suffolk Council's wider Ease the Squeeze programme of advice and support around the rising cost of living. Venues without an asterix have been funded by Community Partnerships or local Councillors.
