

GET READY EAST OF ENGLAND

Actively seeking employment? Then join us for a mix of confidence-boosting workshops and employability tips & tricks to help you feel prepared and stand out to employers!

On this **3 day online programme** you'll:

- Discover how to write a stand-out CV & develop a personal statement for applications.
- Get practical support and guidance on the application process to boost your chances of securing a job.
- Develop your interview technique, build your confidence, & more!
