

WINTER REPORT 2018

Kesgrave, Martlesham & Surrounding Areas

73%

The young people of Kesgrave's main concern is the underpass, with 73 % of answers related to underpass issues. Litter, chronic flooding and graffiti are a huge disturbance to the students attending the high school.

"Thanks to Youth Voice Kesgrave for raising the issue of the underpass. I can now talk & work with the right people to make the changes required. It might not be done overnight but working together we can do our best to make sure it's safe & fit for purpose for everyone's use" - **Councillor Lawson**

10% ADVISED THAT THE CRAMPED UNDERPASS CAUSES CLAUSTROPHOBIA

Councillor Lynch responds to the young peoples concern on plastic waste

"As a Sailor I have for a very long time been against all plastics, but if we can encourage people to not buy products wrapped in plastic this will start making the plastic industries realise they need to change"

Plastic waste project!

Councillor McCallum would like to support a project in response to the growing concern over plastic waste in Kesgrave High School. We will keep you posted on further details on this exciting opportunity!

Young people are calling for somewhere safe to hang out with friends. There are a lot of sport clubs in the area, but not enough for social interaction and other interests.
