I enclose a copy of your new Environmental Permit for the concrete batching plant at the above location. Please ensure that all persons involved in operating the process have access to this document and are familiar with its content.

If you are aggrieved by the conditions attached to the Permit an appeal can be made to the Secretary of State for the Environment, Food and Rural Affairs. Appeals must be made in accordance with the requirements of Regulation 31 of the Environmental Permitting (England and Wales) Regulations 2016. The right to appeal does not apply in circumstances where a notice implements a Direction of the Secretary of State.

Appeals must be received by the Appeal Body at the following address no later than 2 months from the date of the Notice being appealed against. To withdraw an appeal, which may be done at any time, the appellant must notify the Planning Inspectorate in writing and copy the notification to the local authority who must in turn notify anyone with an interest in the appeal. Appellants should state whether any of the information enclosed with the appeal has been the subject of a successful application for commercial confidentiality the Environmental Permitting (England and Wales) Regulations 2016, and provide relevant details, see below. Unless such information is provided, all documents submitted will be open to inspection. An appeal will not suspend the effect of the Permit, the Permit must still be complied with.
