Dear Ileana

**Pollution Prevention and Control Act 1999  
The Environmental Permitting (England and Wales) Regulations 2016  
V C Cooke Ltd, Energy Recovery Facility, The Moor Business Park, Ellough Road, Beccles, NR34  
7TQ**

East Suffolk Council (the Regulator) hereby acknowledges receipt of your application for an environmental permit submitted on 25 August 2023. The Council writes to provide an initial response to the application and fees submitted. The Council acknowledges your request to apply for an environmental permit to operate a scheduled installation. The installation – a small waste incineration plant – shall be operated from the following location: V C Cooke Ltd, Energy Recovery Facility, The Moor Business Park, Ellough Road, Beccles, NR34 7TQ.

Additionally, I can confirm that the application fee £3363 has been received. The fee is in accordance with The Local Authority permits for Part A (2) installations and small waste incineration plant (fees and charges) (England) scheme 2017.

Having undertaken precautionary checks on the application, together with a review of the ancillary documentation submitted in support of it, the Council is able to confirm it's duly made status in accordance with the assessment criteria stipulated for local authorities in the EP Regulations 2016. This confirmation is within the 10 working day deadline response period from when the application was originally submitted.

The application will be added to the public register and a consultation period will commence. A determination will be made within 4 months of the date of submission. In due course, a draft copy of the permit shall be shared with you for comment. Your application reference number is 23/07248/PPCAPP, this will change when the application is determined, and the permit is produced.
