

# Visit to SWT Martlesham Wilds Nature Reserve

**18:00-20:00, Wednesday 7 June 2023**

**Guided tour organised on behalf of the Greenprint Forum – all are welcome!**

Biodiversity is vital not just for its own sake but for the mental and physical health and wellbeing of humanity too.

Join us for a guided evening tour of [Martlesham Wilds](#), a brand new nature reserve for Suffolk of 117 hectares on the banks of the River Deben.

The Suffolk Wildlife Trust are keen to use this opportunity to hear the views and suggestions of attendees for allowing nature to take the lead in this stunning area of land, as well as to outline their vision for the reserve and to update you on the campaign to raise £1 million to make this vision a reality, establishing a wildlife-rich pastoral landscape for future generations.
