

# Plastic Action Beachwatch

There is now an estimated average of 70 kg of plastic litter on every square kilometre of the floor of the ocean (Eunomia)

Help stem the tide of plastic pollution and join a local beach clean combined with a survey of the marine litter found.

These will help the Marine Conservation Society quantify the scale of the issue around the coastline of Britain and campaign for positive change in an effective, evidence-based way.

The following Beachwatch activities are organised by groups and organisations connected to the Greenprint Forum, all the events below will welcome anyone who wishes to participate and support the cause with their time and action.

- **Friday 19 September, Bawdsey Point: 10:30-12:30** – Suffolk & Essex Coast & Heaths National Landscape
- **Saturday 20 September, North Denes Lowestoft: 10:00-11:00** – Suffolk Beach Cleans & Greenprint Forum
- **Saturday 27 September, Claremont Pier Lowestoft, 10:00-11:00** – Suffolk Beach Cleans & Greenprint Forum
- **Sunday 28 September, Brackenbury Felixstowe: 11:00-12:00** – Litter-Free Felixstowe & Greenprint Forum
- **Saturday 04 October, Pakefield: 10:00-11:00** – Suffolk Beach Cleans & Greenprint Forum
