Subject: F.A.O. Mrs Biddall, Public Rights of Way Officer
Date: 22 November 2023 15:51:51

Further to your letter dated 17 November 2023 File Ref: RoW.013.

Subject: Highways Act 1980. Section 16

Proposed creation of footpath between Hill Farm Road and Holton footpath no6.

b) I support the above proposal.

c) I believe this to be an excellent idea. I live on the Hopkins Homes Development at Blyth Vale. I am 74 yrs of age and I frequently walk on both current sections of footpath A-G and H to Holton Rd (6). It seems totally illogical not to have the small gap from G-H included. This not only means that I don't have to walk alongside the busy Holton Road, but that I can follow footpath 6 into Holton, to the Village Hall, the Church and Holton Pits and to the garden centre and shop.

This will be of great benefit to me personally.

Proposed creation of footpath between Hill Farm Road and Holton footpath no 6.

Please delete as appropriate:

- ~~a) I/We have no comments on or objections to the above proposal.~~
- b) ☒ We support the above proposal.
- c) ☒ My/Our comments on the above proposal are as follows (please expand on a separate sheet if necessary):
- We are in favour of the footpath
 - We often use the farm shop on Holton Rd. and the footpath would be a much safer way to walk there than along the busy main road
 - The path would enable us to walk through safely to Holton village to access the bus stop on Burgoy Road. This would avoid having to walk along the busy main road to Halesworth to get a bus.
- ~~d) I/We object to the above proposal for the following reasons (please expand on a separate sheet if necessary).~~

Signed: [REDACTED]

Dated: 24/11/23

- • It would allow us to enjoy a walk directly from our house into Holton and around Holton pits without needing to walk along a busy road or drive to a car park. Other safe circular walks could also be done.

**Proposed creation of public footpath to link Hill Farm Road with
Holton footpath no 6 - Highways Act 1980 Section 26**

Dear Consultee,

East Suffolk Council is considering a proposal to create a new public right of way linking Hill Farm Road with the existing Holton footpath no 6 as shown on the attached map.

Under the Highways Act 1980, Section 26 where it appears to the Local Authority that there is a need for a footpath over land in the area and they are satisfied that, having regard to -

(a) the extent to which the path or way would add to the convenience or enjoyment of a substantial section of the public, or to the convenience of persons resident in the area, and
(b) the effect which the creation of the path or way would have on the rights of persons interested in the land, account being taken of the provisions as to compensation contained in section 28 of the Highways Act 1980,

it is expedient that the path or way should be created.

The path would provide a pedestrian link between the residential areas off Hill Farm Road, Halesworth and the area of Holton, including the primary school and nursery. It would avoid the need to walk along the pavement of the busy Holton Road. It will also link up with the public rights of way network to the north through the public open space paths.

Consultees should note that whilst they can walk along the proposed route from A to G to look at it, there is no link between G and H and they should access that section via Holton footpath no 6, either from Holton Road or from Orchard Valley.

The width of the new path would be 1.8 metres. Between A and F it would have a tarmac bound surface. Between F and H it would have an unbound surface comprised of 100-150mm of a type 1 aggregate with approx. 20mm of compacted fines on top. A pedestrian
