The benefits of paying by Direct Debit are as follows:

1. It saves you time.

When the direct debit is set up the payments happen automatically and efficiently each month. You won't waste time each month writing cheques, setting up BACS payments or dealing with online banking. Also there's no need to remember when payment is due. We just collect the right amount of money on the agreed date.

2. Its secure and protected by the Direct Debit Guarantee

The Direct Debit system is an extremely safe way to pay, with modern encryption and secure firewalls used to protect customer information. Bank account details are encrypted at source.

All payments are covered by the Direct Debit Guarantee. This gives you complete cover for payments made in error or taken fraudulently, making Direct Debit the safest payment method for UK customers.

3. It takes away the hassle of late payment

There may be times when you forget to pay on time, with Direct Debit, you pay on time, every time so your advertising is never stopped and you don't get interrupted by calls from our credit control team chasing payment. That means no awkward chase-up letters or telephone calls.

Please note that when submitted, the process can take 21 days to set up, so any invoices due for payment within this timescale will still need to be paid by alternative means.
