Dear Councillor,

Please find attached the informal consultation letter, map and response form regarding the proposed creation of a new public footpath for your consideration . Both Holton Parish Council and Halesworth Town Council have also been consulted.

I am preparing a statement to go to both councils for publication on their websites, regarding the proposal which should be with them by next week.

I would be grateful if you could return your response by 15 December.

If you have any further comments or questions please don't hesitate to contact me.

Yours sincerely,

Thanks for this information. As this is information regarding creation of a footpath this is not likely to be of great interest to Cycling UK and its members, however as the proposal looks sensible and useful to local residents and should also help and encourage active travel I would support the proposal.

Thanks.
