

Deben Fields

An update on the project we are delivering for your local community

Hello, I'm Mike, your senior project manager and I wanted to share with you the latest news on the project we are delivering for the local community.

Here, you will find an update on what we have been doing over the past few months as well as how we have been engaging with the local community.

I hope you find this information useful and if you have any questions, I would be happy to speak with you.

An update on your project

Since our last newsletter, Kier has progressed all areas of the site and all building structures are now completed. Waterproofing layers to roofs have been installed.

Window installations has now been completed, along with significant areas of the external brickwork cladding.

Internal fitting out works continue to progress.

External works and landscaping have commenced where the scaffolding has been removed.

Parking during construction:

All workers will be briefed of the requirement to make use of local pay and display parking. Should you notice any site vehicles parked inconsiderately, please let us know.

Deben Fields

Kier Foundation

Throughout May, was moving through May. Kier employees were taking part in Walking, Running, cycling, swimming to raise money for Kier Foundation. All funds raised will be split between local charities chosen by our people and the Kier Foundation, to support the Group charity partner, Trussell and the variety of charities through our match funding scheme.

Social value

As part of our commitment to social value for this project, Kier construction has spent £3.2 million with the local supply chain to date.

On 20th May Level Two Team organised a presentation, during this they expressed strong appreciation for Kiers support, for helping young people in Felixstowe. They have asked Kier to support career engagement sessions and to help find work experience for one of their young people. During May we welcomed down a year 10 student to complete their work experience placement.

Site events

Last month Kier held a wellbeing event on site for all sub-contractors. This was to bring awareness for mental health and to have a chat. We included tea and biscuits for everybody to enjoy.

Site opening hours

08:00 – 17:00 Monday – Friday

Contact us:

We want to be considerate neighbours, and we welcome your feedback or questions. Our nominated site contact is Emily Davies.

Email us:

Emily.Davies@kier.co.uk

Mike.Durrant@kier.co.uk

Emily is our site administrator and can be contacted via email during normal work hours.
