

Park Rules for Outney Meadow Residential Caravan Park.

Preface

In these rules:

“occupier” means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement.

“you” and “your” refers to the homeowner or other occupier of a park home.

“we” and “our” refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

With one exception the rules also apply to any occupiers of park homes who rent their home.

The only rule which does not apply to occupiers who rent their home is rule 27, about the colour of the exterior of the home, as someone renting their home would not be responsible for exterior maintenance.

None of these rules is to have retrospective effect. Accordingly:

- they are to apply only from the date, on which they take effect,
which is *10th December 2014*; and
- no occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

These rules also apply (for so long as they live on the park) to the park owner and any employees.

Condition of the Pitch

1. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space.
2. You must not erect fences or other means of enclosure unless they are no more than 1 metre high and so as not to adversely impact your neighbour in terms of natural light and view and you have obtained our approval in writing (which will not be unreasonably withheld or delayed). Wooden post and panel fencing and natural hedging only are permitted. You must position fences and any other means of enclosure so as to comply with the park's site licence conditions and fire safety requirements.
3. You must not have external fires, including incinerators. Gas barbeques only are permitted.
4. You must not keep inflammable substances on the park except in quantities reasonable for domestic use.
5. You must not keep explosive substances on the park.

Storage

6. You must not have more than one storage shed on the pitch. Where you source the shed yourself the design, standard and size of the shed must be approved by us in writing (approval will not be withheld or delayed unreasonably). You must position the shed so as to comply with the park's site licence and fire safety requirements. The footprint of the shed shall not exceed 10 sq metres.

7. You must not have any storage receptacle on the pitch other than the shed mentioned in rule 6 and any receptacle for the storage of domestic waste pending collection by the local authority.

8. You must ensure that any shed or other structure erected in the separation space between park homes is of non-combustible construction and positioned so as to comply with the park's site licence conditions and fire safety requirements. The separation space is the space between your park home and any neighbouring home.

Refuse

Where waste is collected by the local authority

9. You are responsible for the disposal of all household, recyclable and garden waste in approved containers through the local authority service. You must not overfill containers and must place them in the approved position for the local authority collections.

10. You must not deposit any waste or rubbish other than in local authority approved containers on any part of the park (including any individual pitch).

Business Activities

11. You must not use the park home, the pitch or the park (or any part of the park) for any business purpose, and you must not use the park home or the pitch for the storage of stock, plant, machinery or equipment used or last used for any business purpose. However you are at liberty to work individually from home by carrying out any office work of a type that does not create a nuisance to other occupiers and does not involve other staff, other workers, customers or members of the public calling at the park home or the park.

Age of Occupants

12. No person under the age of 25 years may reside in a park home with the exception of the park owner and their family and the park warden, who reside with them in their park home

Noise Nuisance

13. You must not use musical instruments, all forms of recorded music players, radios and other similar appliances and motor vehicles so as to cause a nuisance to other occupiers, especially between the hours of 10.30pm and 8.00am.

Pets

14. You must not keep any pet or animal at the park home or on the pitch except those which are housed in a cage, aquarium or similar and remain at all times within your home. Assistance dogs are permitted.

Note

The express terms of a homeowner's agreement contain an undertaking on the part of the homeowner not to allow anything which is or becomes a nuisance, inconvenience or disturbance to other occupiers at the park and this undertaking extends to the behaviour of pets and animals. A similar requirement not to cause a nuisance applies to tenants and again this includes the behaviour of pets and animals.

Note

These rules do not have retrospective effect. If the keeping of the pet complied with the previous rules, an occupier will not be treated as being in breach when these rules take effect. However, when the pet dies or leaves it can only be replaced if this would comply with these rules.

Water

16. You must only use fire point hoses in case of fire.

 - vehicles intended for domestic use but derived from or adapted from such a commercial vehiclewith the exception of commercial vehicles operated by the park owner and the park warden and their families who reside with them in their park home.

23. You must hold a current driving licence and be insured to drive any vehicle on the park. You must also ensure that any vehicle you drive on the park is taxed in accordance with the requirements of law and is in a roadworthy condition.

24. Disused or unroadworthy vehicles must not be kept anywhere on the park. We reserve the right to remove any vehicle which is apparently abandoned.
