

## PARK RULES FOR WAVENEY RESIDENTIAL PARK

### **Preface**

In these rules:

- "occupier" means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement
- "you" and "your" refers to the homeowner or other occupier of a park home
- "we", "our" and "us" refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

With one exception the rules also apply to any occupiers of park homes who rent their home.

The only rule which does not apply to occupiers who rent their home is rule 33 about the colour of the exterior of the home, as someone renting their home would not be responsible for exterior maintenance.

None of these rules is to have retrospective effect. Accordingly:

- they are to apply only from the date on which they take effect, which is 24 February 2015; and
- no occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

These rules also apply (for so long as they live on the park) to the park owner and any employees, with the exception of the following rules 11, 12, 21, 24, 25, 26, 27, 28, 30 and 31.

### **Condition of the Pitch**

1. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space.
2. You must not erect fences or other means of enclosure unless they are a maximum height of 1.8 metres and you have obtained our approval in writing (which will not be unreasonably withheld or delayed). You must position fences and any other means of enclosure so as to comply with the park's site licence conditions and fire safety requirements.
3. You must ensure that any gates are left unlocked at all times to ensure that in the event of a fire access can be gained to all elevations of the home.
4. With the exception of barbecues which must be supervised responsibly you must not have any external fires, including incinerators.
5. You must not keep inflammable substances on the park except in quantities reasonably for domestic use.

6. You must not keep explosive substances on the park.

You must ensure that any shed or other structure erected in the separation space between park homes is of non-combustible construction and positioned so as to comply with the park's site licence conditions and fire safety requirements. The separation space is the space between your park home and any neighbouring home.

However you are at liberty to work individually from home by carrying out any office work of a type which does not create a nuisance to other occupiers and does not involve other staff, other workers, customers or members of the public calling at the park home or the park.

### **Note**

The express terms of a homeowner's agreement contain an undertaking on the part of the homeowner not to allow anything which is or becomes a nuisance, inconvenience or disturbance to other occupiers at the park and this undertaking extends to the behaviour of pets and animals. A similar requirement not to cause a nuisance applies to tenants and again this includes the behaviour of pets and animals.

### **Note**

These rules do not have retrospective effect. If the keeping of the pet complied with the previous rules, an occupier will not be treated as being in breach when these rules take effect. However, when the pet dies or leaves it can only be replaced if this would comply with these rules.
