

HONEYPOT MEADOW & OLLAND COURT

What is Retired Living?

Retired Living Schemes are aimed at people who're over 60 years of age. They are self contained, purpose built flats with their own front doors, kitchens and bathrooms. They are available for both couples or single people and offer independence with support if and when needed. They provide good quality accommodation that has comfort and security, and provides 24 hour support for residents with the provision of a pendant in case the resident has a fall or becomes ill.

Your Retired Living Scheme

Honeypot Meadow consists of twenty one bungalows each having their own garden. Tenants at Honeypot have access to all communal facilities at Olland Court, including their social events.

Olland Court consists of twenty two flats with a large communal garden. There is a large car park providing ample parking for residents and visitors. There is a communal room located on the ground floor at Olland Court where all the residents are welcome to join in with the various scheme activities.

The schemes are located next to each other in the small market town of Bungay, a quick ten minute walk into the town centre. Bungay offers a wide range of services, there is a library, Doctors surgery, post office and a variety of shops within walking distance of the schemes.

Your Scheme Manager

My name is Jackie Balaam I have lived at Honeypot Meadow, Olland Court for thirteen years, supporting residents to live independently in their own homes. I will keep in contact with the residents according to their preference either visiting daily or weekly. I ensure that emergency equipment is tested regularly. I respond to emergencies and liaise with appropriate agencies.

Fire Protection

Honeypot Meadow have smoke detectors in place which are tested regularly to ensure they are in good working condition.

Olland Court has smoke detectors linked into a fire panel that can identify the location of the fire. There is a fire box on the wall containing information for the fire brigade to access all areas of the court. The residents have instructions on the wall inside their front doors to remind them what they should do in the event of a fire. The fire assembly point is located on the corner at the entrance of Olland Court. There are seven fire points located around the scheme that are tested on a rotational basis once a week.

Make the most out of your sheltered accommodation

Communal Areas

Honeypot Meadow has a large grassed communal area that all the residents can see from their bungalows, where there are benches for them to use at their leisure.

Olland Court also has a large communal area where there are seating areas and communal washing lines.

Located on Olland Court is a communal room where both schemes join together on an almost daily basis to enjoy social activities.

Social Events

- Lunch clubs
- Bingo
- Armchair Exercises
- Tea Parties
- Card Bingo
- Coffee Mornings

Other Information

The communal room is open all day for residents to pop in as and when they like to meet with each other. The residents have also formed a committee and enjoy organising outings and social events.

Wi-fi is installed in the Communal Lounge providing residents free of charge access to connect to the internet.
