

**Retired Living  
at  
PLAISIR PLACE**

## What is Retired Living?

Retired Living Schemes are aimed at people who're over 60 years of age. They are self contained, purpose built flats with their own front doors, kitchens and bathrooms. They are available for both couples or single people and offer independence with support if and when needed. They provide good quality accommodation that has comfort and security, and provides 24 hour support for residents with the provision of a pendant in the event residents need to summon help in an emergency situation.

## Your Retired Living Scheme

Plaisir Place is in St Peters Street for one entrance and Thurston Road for car entry. There are 38 flats within the scheme. The main building has 34 flats and an annex where there is 4 flats. We have a lovely communal lounge and a guest room, where family and friends can stay. The flats each have a lounge, bedroom, shower and a kitchen. This allows residents to be able to live independently. At the back of Plaisir we have a lovely garden where we residents can sit and relax on our benches.

## Your Scheme Manager

My name is Julie. I have worked for Waveney District Council since 1992. My job is to know all the schemes and how things work. I am based at Plaisir Place in St Peters Street Lowestoft. We are a retired living scheme for people aged 60 and over. There are lots going on in the scheme each day. I welcome any one who wants to come and have a look at any time, to see what it is like.

## Security in and around your scheme

Plaisir Place has a fob to open the main doors both front and back. Also you can use your key for the doors. There is CCTV all around the ground floor. This is for the security of all our residents. There are gates at the side for the St Peters Street entrance. Each flat has a inter-com system to allow residents to give access to family/ friends easily from their own flat. Scheme managers, such as myself, can also give people entry into the main building.

## Fire Alarms

Plaisir Place has a fire alarm test every Tuesday, at 10am. This is only a test which we do as managers to make sure everything is working perfectly. The fire panel is just inside the main entrance door. Also on the back of every ones flat doors there is a sheet to tell you what to do in the case of a fire.

## Making the most of sheltered accommodation

### Communal Areas

Plaisir has a lovely lounge area on the ground floor with large windows to give it a light and airy feel. We also have a pretty garden out the back where residents can sit and read etc..

Wi-fi has been installed to enable residents to access the internet free of charge.

### Social Events

Monday– Coffee mornings

Tuesday- Card games

Wednesday– Bingo

Friday-Hoy

Saturday– Bingo

We also have a Christmas Dinner each year
