

Design the ultimate cycling jersey- for a chance to win the real thing!

Entries will be judged by a cycling mad panel from East Suffolk Council, with a guest judge from British Cycling. The best design in each age category will be transformed into cycling jerseys by www.thecyclejersey.com.

There will be three winners in total from three age categories :
11 and under, 12 – 17 years old and 18 and over.

The winners of each category will be invited to receive a prize on the podium at the **Lloyds Tour of Britain Men Stage Finish in Southwold on Tuesday 2 September** (and will receive their winning design jersey by the end of September).

Winners will be notified week commencing **August 11th**.

The design of the jersey will be made as close to the winning design as possible.

If you need some inspiration for your design,
please look at www.thecyclejersey.com.

The design is for the front and back of the jersey with the side panelling being used for the logos of the supporters and sponsors of the Tour of Britain Men.

Tips to consider when designing the jersey:

- You can use as many colours as you want.
- Keep within the template design.
- All text should be converted to outlines
- Gradients and fades of certain colours will take on a different hue as the colour lightens, e.g red can appear as pink

When you have finished your design, please save them to these accepted formats if submitting by email:

- Illustrator CS (.ai, .eps, .pdf)
- Photoshop CS (.psd, .tiff, .eps)
- Corel (.cdr)
- Acrobat (.pdf)
