New pedestrian route from Garrison Lane

View 02, Garrison Lane

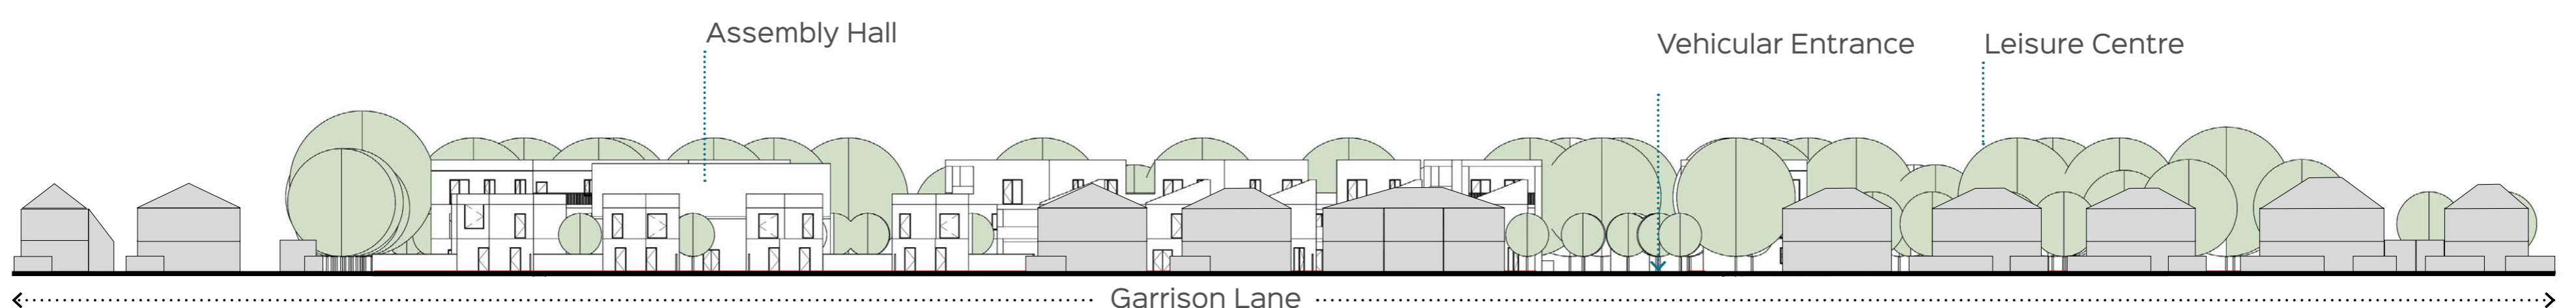

Key Plan

Section through site

Section A

Garrison Lane elevation

Elevation B

View 01: 3 storey blocks of houses and maisonettes face the recreation space to the west. Massing of the top floors of the blocks varies to add visual interest and accommodate private amenity spaces.

View 02: 2 storey homes with flat green roof's face onto Garrison Lane. Houses are arranged to allow for a visual and pedestrian link from Garrison Lane to the assembly hall.
