

Location Plan

SANGS LINK BETWEEN THE MAIN GREEN INFRASTRUCTURE AREA AND THE HERITAGE PARK

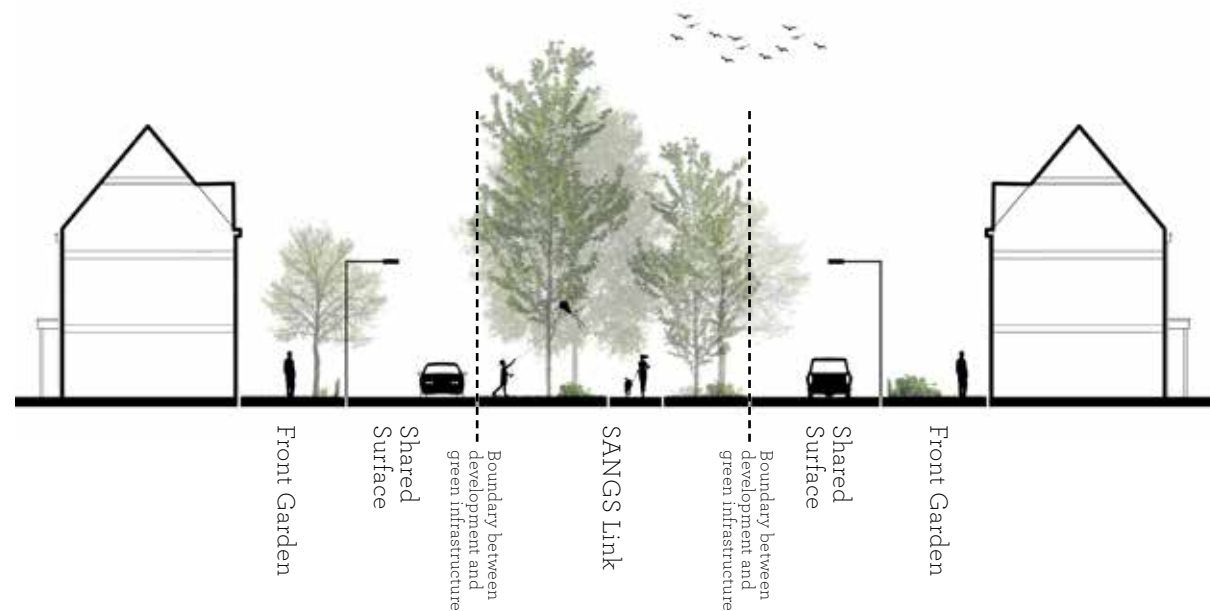

Details of the treatment of this important link are included on paragraph 6 of p.64 of the Design & Access Statement submitted as part of planning application.

Land Use

- Medium / High density residential buildings (low density along the edge to the Main Green Infrastructure Area).

Building heights

- Predominantly 2.5 storeys residential buildings.

NB: Measurements shown in the section above are approximate and for illustrative purposes only
