HAND DELIVERED

Dear Ben

Planning application DC/17/1435/OUT: land south and east of Adastral Park

To assist your presentation to Suffolk Coastal District Council's interim planning committee this morning please find enclosed the following illustrative computer generated images (CGIs):

- 31677 – 14 Local Centre CGI
- 31677 – 15 Gateway CGI
- 31677 – 16 Valley Edge CGI

The enclosed CGIs are for illustrative purposes only to provide members with an understanding of the vision for these key areas of the site. The CGIs follow the principles set out in the Design and Access Statement submitted in support of the planning application.

It is important for officers and members to note that the architecture of the housing, individual buildings or indeed the specific details of the scheme should not be taken literally. These will evolve and subsequent reserved matter submissions will consider the design of these areas in more detail.

Yours sincerely
