Community Infrastructure Levy - Draft Charging Schedule

The Community Infrastructure Levy Draft Charging Schedule is subject to public consultation from Monday 6th October until Monday 17th November 2014.

The Council invites comments on the details contained within the consultation document; those making representations are encouraged to do so by using this form.

Representations made on the Draft Charging Schedule during the representation period will be considered by the Council prior to submission for independent examination.

The independent examiner will be checking:

- Whether the charging authority (Suffolk Coastal District Council) has complied with the required procedures set out in the Planning Act 2008 and the CIL Regulations 2010 (as amended).
- Whether the Draft Charging Schedule is supported by appropriate available evidence,
- Whether the proposed rates are informed by and consistent with the evidence on economic viability across the charging authority's area.
- Whether the proposed rates would put at serious risk the overall development of the area.

Q1: Do you consider that the Council has adequately identified a funding gap using appropriate infrastructure evidence?

Please continue on a separate sheet if necessary

Q2: In setting the CIL rates, do you consider that the Council's economic viability assessment has used appropriate available evidence? If you disagree please provide evidence.

Please continue on a separate sheet if necessary

Q3: In setting the CIL rates, do you consider that the rates proposed represent the appropriate balance between the desirability of funding infrastructure and the need to maintain overall viability of growth across the District?

Please continue on a separate sheet if necessary

Q4: Do you consider the boundaries for the different charging zones to be appropriate? If you disagree please provide evidence.

Please continue on a separate sheet if necessary

Q5: Do you have any other comments on the Draft Charging Schedule or any of the associated documents or evidence base documents?

Other parish council feel there should be lower levels of CIL for starter homes to encourage more of these urban developments.

Please continue on a separate sheet if necessary
