27 December 2012

Dear Mr Hubbard

As you are aware on 14 December 2012 the Department of Communities and Local Government published new *Community Infrastructure Levy Guidance, December 2012*. This can be found at:

[https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/36743/Community\\_Infrastructure\\_Levy\\_guidance\\_Final.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/36743/Community_Infrastructure_Levy_guidance_Final.pdf)

This replaces the previous guidance note *Community Infrastructure Levy Guidance: Charge setting and charging schedule procedures, March 2010*.

I have been asked by the Inspector to start a consultation on the matter as it related to the Waveney CIL charging schedule as submitted. As you can see from the attached letter, you will have until 5pm on Monday 28 January to submit your comments with a further week until 5pm Monday 4 February to respond to comments from others.

Yours sincerely

*Annette Feeney*
