Dear Chris,

Highways Act 1980 – Section 278 Technical Approval

600761 - A14 Ipswich J57 to J58 E/B Orwell Crossing Lorry Park

Please be advised that Technical Approval in accordance with the DMRB is hereby given for the Contract Drawings and Documents titled “**A14 Ipswich J57 to J58 E/B Orwell Crossing Lorry Park**” under Section 278 Works. For convenience the drawings for which technical approval has been given are listed on the following page.

This letter of technical approval should be read in conjunction with the attached National Highways technical review document *600761 - A14 Ipswich J57 to J58 EB Orwell Crossing Lorry Park - Final Review Tracker 23 11 21 Rev 10*.

Please note this Technical Approval will expire after 12 months and if works do not commence on site by this time the full design submission will need to go through a further technical review.

Please contact National Highways if you require any additional information.

Yours Sincerely

23/11/2021

X
