Dear Ms Pieri,

**Details in relation to Schedule 12 'Noise' and Annex W 'Noise Mitigation Scheme' of the Sizewell C Project Deed of Obligation in respect of Sizewell C Nuclear Power Station Development Consent Order (DCO) 2022**

The following documents were submitted to East Suffolk Council by SZC Co. in relation to specific requirements within Annex W 'Noise Mitigation Scheme' of the Sizewell C Project Deed of Obligation, on 25 July 2024.

- Deed of Obligation, Schedule 12, Annex W: Sizewell Link Road Construction Refreshed Noise Assessment (Part 1 of 2)
- Deed of Obligation, Schedule 12, Annex W: Sizewell Link Road Construction Refreshed Noise Assessment (Part 2 of 2)

The specific sections of the Noise Mitigation Scheme which are relevant to this submission include paragraph 1.2.3 requiring the submission of a phasing plan and paragraph 1.2.5 requiring refreshed noise assessments be submitted to and agreed by East Suffolk Council.

The details given within the above documents and accompanying email received 25 July 2024 in respect of paragraphs 1.2.3 and 1.2.5 Annex W Noise Mitigation Scheme of the Sizewell C Project Deed of Obligation are acceptable. Subject to work being carried out in accordance with those details, the aforementioned paragraphs within the Deed will have been complied with to the local planning authority's satisfaction in relation to the Sizewell Link Road works.

ESC's Environmental Protection Officer has reviewed the documents and is content, noting that there is a likelihood some temporary rehousing may be needed should Saturday afternoon working be required, and that this will need to be fully implemented prior to that work starting. The applicant should engage with ESC as early as possible in that event.

Please note however that this letter only relates to the Sizewell Link Road works, further approvals under the Noise Mitigation Scheme will be required in relation to works outside those identified.

Yours sincerely
