

General Notes

The contractor is responsible for checking dimensions, tolerances and references. Any discrepancy to be verified with the Architect before proceeding with the works. Where an item is covered by drawings to different scales the larger scale drawing is to be worked to. Do not scale drawing. Figured dimensions to be worked to in all cases. CDM REGULATIONS 2015. All current drawings and specifications for the project must be read in conjunction with the Designer's Hazard and Environment Assessment Record. All intellectual property rights reserved.

Key

- Outline application boundary
- Pedestrian path within the Green Trail
- Pedestrian route along the Spine Road
- Secondary pedestrian links
- Public Right of Way within the site
- Public Right of Way outside the site
- Existing Quiet Lane
- Proposed points of connection to the surrounding area
- Existing points of connection to the public rights of way to be retained

Note:

1) OS base has been added to include the approved layout to Westerfield House Care Home extension, for context

2) Precise location of routes to be determined at detailed design stage

CDM REGULATIONS 2015. All current drawings and specifications for the project must be read in conjunction with the Designer's Hazard and Environment Assessment Record. All intellectual property rights reserved.

Designed with reference to the surveys, information and reports listed: OSMap and Topographic Survey received from the client
