

APPENDIX 6

PROPOSED ACCESS STRATEGY

CIVIL / STRUCTURAL DESIGN RISK MANAGEMENT

Abnormal or unusual residual risks associated with the design outcomes shown on this drawing are:-

RSK LDE LTD has followed its Design Risk Management process for Hazard Elimination and Risk reduction in developing the designs shown on this drawing. Abnormal or unusual residual risks may be shown above where it is considered that such risk may not normally be expected by competent persons engaged on work of this nature or type.

- Notes:
1. The information contained within this drawing is subject to discussion and agreement with the local authority and all relevant planning consultees.
 2. The design is accordance with Suffolk Design Streets Guide 2022 Edition v26.
