Hi Roz

Following a query from Natalie Beal at the Broads Authority I am just checking an understanding. I provided the Town Council with an opportunity to comment on the Regulation 16 representations of all other parties. Whilst I placed no obligation on the Town Council to offer any comments, such an opportunity can prove helpful where representations of other parties include matters that have not been raised earlier in the plan preparation process. The Town Council has commented on the representation of East Suffolk Council in relation to Policy H4, in particular access matters; and in relation to Policies ENV1 and H3; and with respect to paragraph 71 of the Neighbourhood Plan; and with respect to the Strategic Environmental Assessment. Am I correct in assuming the Town Council has not commented on the representation of the Broads Authority nor on the representations of other parties.

Best regards
Chris
