Town and Country Planning Act 1990 Neighbourhood Planning (General) Regulations 2012 (as amended).

The designation of a Neighbourhood Area is the first formal stage in preparing a Neighbourhood Development Plan. This form should only be completed once you have met and agreed with your District Council that for what you are proposing, a neighbourhood plan is the appropriate tool.

This application form may also be used if you are proposing Neighbourhood Development Order or Community Right to Build Order.

Data Protection Statement: The information you have supplied may be processed by computer or form the basis of manual records. East Suffolk District Council will use the data for purposes relevant to the Neighbourhood Planning (General) Regulations 2012 (as amended) and for no other purpose. Neighbourhood planning purposes will require data to be shared between the Council in its role as Local Planning Authority and the town/parish council as the relevant Qualifying Body. Please note: this form will be published online in its entirety.

How we will determine the application

We will:

- Check that the application is valid and made by a relevant body

- Consider whether the proposed neighbourhood area is appropriate
- Check that the neighbourhood area does not overlap with any other neighbourhood area.

The decision will be made in accordance with the timetable set out below which is defined in regulation.

Single Parish area	No consultation is required. The Council will determine the area within 3 weeks (5 weeks if the area also forms part of the Broads Authority area).
More than one Parish	Minimum 6 week consultation required.
More than one Local Planning Authority (multi Parish)	Within 20 weeks. Minimum 6 week consultation period required. Note a small number of parishes also fall within the Broads Authority.

To avoid any unnecessary delay, authority to designate a neighbourhood area is operated under delegated powers.

In the majority of cases, the area applied for will be granted without amendment. In a minority of cases, and with the consent of the Parish or Town Council or Neighbourhood Forum, the Council may make modifications to the Neighbourhood Area if considered appropriate/necessary. The Council will notify the applicant and publish its decision on the website. The decision notice will specify why the area originally applied for is considered unsuitable as well as defining and designating a revised area.

Extent of the area

In most cases Neighbourhood Areas will follow parish or ward boundaries. However, they can be smaller or extend beyond boundaries to include other parishes or wards. A short statement should be made to explain why this area is considered appropriate to be designated as a Neighbourhood Area.

- Whole single Parish
- Part of Parish
- Joint Parish
- Ward area

Please describe below why you consider the extent of the area is appropriate:

THE AREA FOLLOWS THE PARISH BOUNDARY IN FULL AND IS THEREFORE A LOGICAL CHOICE
