How do I vote in the referendum?

You vote by putting a cross (X) in the 'yes' or 'no' box on your ballot paper. Only put a cross in **one** box or your vote will not be counted.

Referendum result

Positive: If more people vote ‘Yes’ than ‘No’ in the referendum, then the Broads Authority and East Suffolk Council will use the Lound with Ashby, Herringfleet and Somerleyton Neighbourhood Plan to help them decide planning applications in Lound with Ashby, Herringfleet and Somerleyton neighbourhood area in the future.

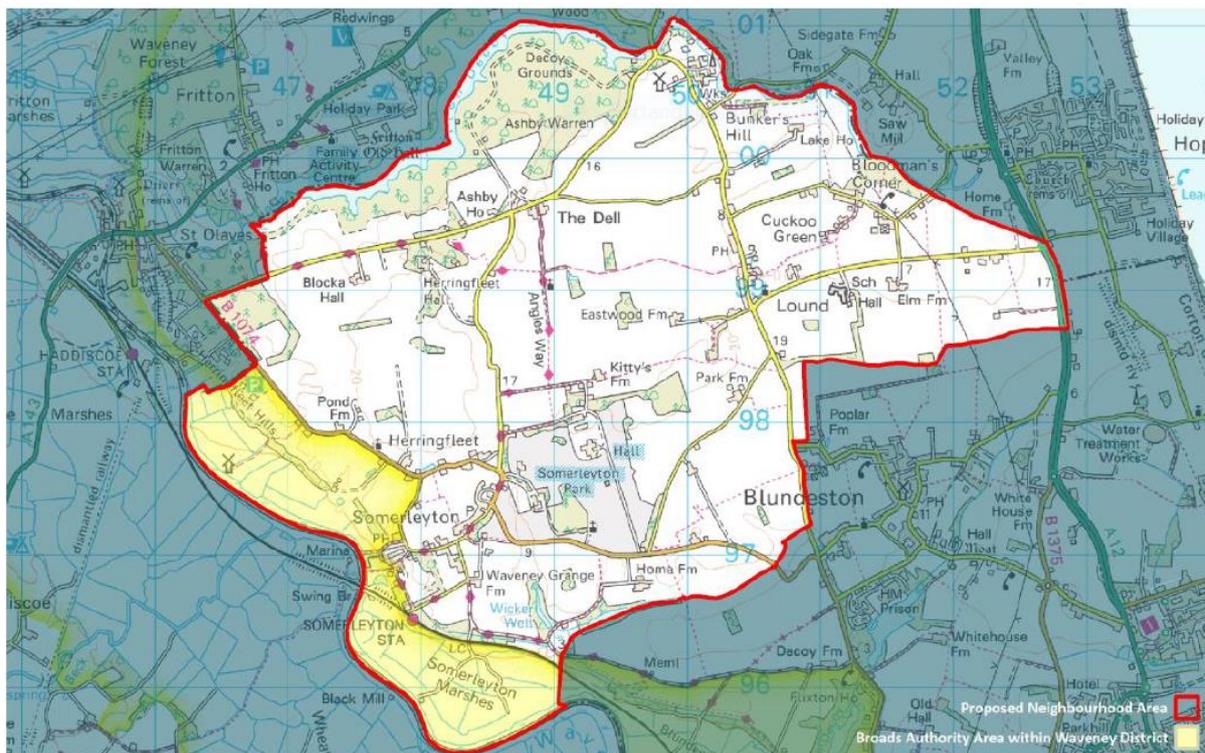

At that point, the neighbourhood plan comes into force as part of the statutory development plan for the area (see section ‘What is a Development Plan?’) and thereby the starting point for the determination of relevant planning applications.

To complete the neighbourhood plan process and to give the neighbourhood plan its full legal weight, the Broads Authority and East Suffolk Council would then need to formally “make” the neighbourhood plan. This would normally occur within 8 weeks of the referendum date.

Negative: If more people vote ‘No’ than ‘Yes’, or the numbers of ‘No’ and ‘Yes’ votes are equal, then planning applications will be decided without using the neighbourhood development plan as part of the development plan for Lound with Ashby, Herringfleet and Somerleyton.

The Referendum Area

The referendum area is the same as the neighbourhood plan area, which was designated by the (former) Waveney District Council on **14th September 2016**.

Referendum expenses

Expenses can be incurred by an individual or body during the period of the referendum, for referendum purposes.

The referendum expenses limit that will apply in relation to this referendum is £2,405.23. The number of persons entitled to vote in the referendum is 614

Referendum Date

The Neighbourhood Planning Referendum regulations (as amended) require the referendum for a neighbourhood plan to be held within 56 working days of publishing the Decision Statement (17th March) for the neighbourhood plan, unless a different date is agreed with the Qualifying Body. The Qualifying Body in this case is Lound and Ashby, Herringfleet and Somerleyton Parish Councils. The date of 23rd June for the referendum was agreed with the Qualifying Body, beyond the 56 working days.

The Lound with Ashby, Herringfleet and Somerleyton Neighbourhood Plan

What is Neighbourhood Planning?

Neighbourhood planning is a tool which enables local communities to play a direct role in planning the areas in which they live and work.

A community can prepare a neighbourhood plan. This plan can show how the community wants land to be used and developed in its area. The plan can be comprehensive or limited in terms of the issues covered.

A neighbourhood plan has to complete a number of formal stages including public consultation and independent examination before it can proceed to referendum.

In accordance with the Neighbourhood Planning (referendums) Regulations 2012 (as amended), a copy of the Lound with Ashby, Herringfleet and Somerleyton Neighbourhood Plan is provided as one of the specified documents which must be made available in relation to the referendum. (See later section on specified documents).

What is a neighbourhood area?

A neighbourhood area can cover a single street or large urban or rural areas. Where there is a Parish or Town Council, the neighbourhood area will often follow the parish/town administrative boundary. The boundaries of a neighbourhood area are put forward by:

- Parish or Town Councils; or,
- A neighbourhood forum (a group of at least 21 people) in areas without parish councils.

In Lound and Ashby, Herringfleet and Somerleyton, the boundary of the neighbourhood area was determined by the (former) Waveney District Council on **14th September 2016** and comprises the whole of the parishes of Lound and Ashby, Herringfleet and Somerleyton (see map above). The agreed referendum area is identical to the neighbourhood plan area.

Who can prepare a neighbourhood plan?

Neighbourhood plans are prepared by town or parish councils, or neighbourhood forums. In the case of Lound and Ashby, Herringfleet and Somerleyton, the Neighbourhood Plan has been prepared by Lound and Ashby, Herringfleet and Somerleyton Parish Councils (the Qualifying Body).

What is a Development Plan?

In England, the planning system is plan led. Planning law requires that applications for planning permission must be determined in accordance with the development plan, unless material considerations indicate otherwise.

A development plan is a set of documents that set out the policies for the development and use of land across the entire local planning authority area.

The local planning authorities are the Broads Authority and East Suffolk Council. The adopted Local Plan for the East Suffolk area is the Waveney Local Plan (March 2019) and the adopted Local Plan for the Broads Authority area is the Broads Local Plan (May 2019). Suffolk County Council is the relevant local planning authority for matters relating to minerals or waste.
