**Re: Melton Neighbourhood Plan submission**

As a Melton resident, I would like to comment on the Melton Neighbourhood Plan.

It is an excellent piece of work and a very comprehensive document. The parish council is to be commended.

To complete the picture here at Melton Park, previously the old St Audry's Hospital site, **I would like to request that the following be included:**

**Bowling Green situated between Garrod Approach and Hospital Grove.**

The bowling green forms part of the Play Space here at Melton Park and must be referred to specifically as I understand that in planning policy terms

the area is defined for recreational use only.

A policy presumption exists that such areas be retained for leisure and recreational purposes, this is expressed in both the National Planning Policy

Framework and local planning policy on sport and play.

Many thanks for your attention.

Bryony Abbott, Resident
