A referendum asks you to vote 'yes' or 'no' to a question. For the referendum on the Shadingfield, Sotterley, Willingham and Ellough Neighbourhood Plan you will receive a ballot paper with this question:

Do you want East Suffolk Council to use the Neighbourhood Plan for Shadingfield, Sotterley, Willingham and Ellough to help it decide planning applications in the neighbourhood area?

This question is specified in paragraph 1 of Schedule 1 of The Neighbourhood Planning (Referendums) Regulations 2012.

Who can vote in the referendum?

You can vote in the referendum if you live in the Shadingfield, Sotterley, Willingham and Ellough neighbourhood area (see map page 4) and:

How do I vote in the referendum?

You vote by putting a cross (X) in the 'yes' or 'no' box on your ballot paper. Only put a cross in one box or your vote will not be counted.

Referendum result

Positive: If more people vote 'Yes' than 'No' in the referendum, then East Suffolk Council will use the Shadingfield, Sotterley, Willingham and Ellough Neighbourhood Plan to help them decide planning applications in Shadingfield, Sotterley, Willingham and Ellough neighbourhood area in the future.

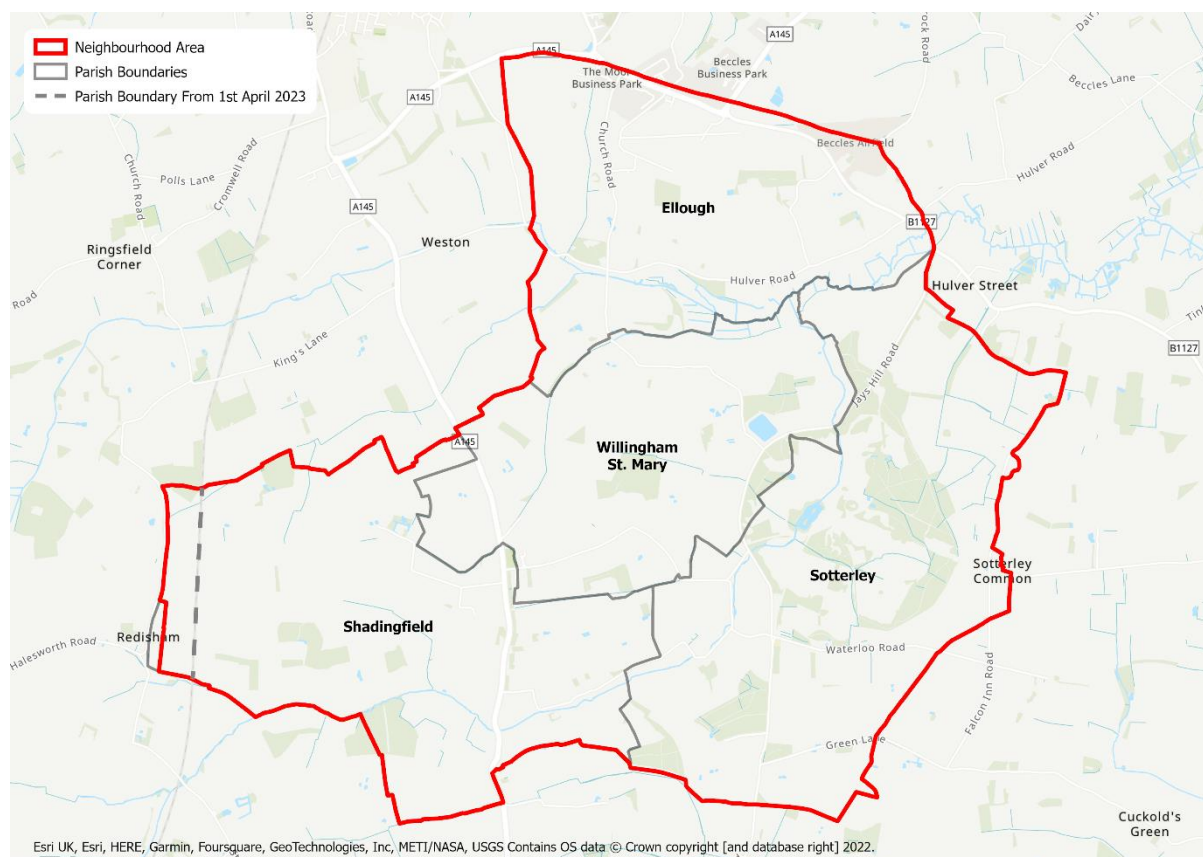

At that point, the neighbourhood plan comes into force as part of the statutory development plan for the area (see section 'What is a Development Plan?') and thereby the starting point for the determination of relevant planning applications.

To complete the neighbourhood plan process and to give the neighbourhood plan its full legal weight, East Suffolk Council would then need to formally "make" the neighbourhood plan. This would normally occur within 8 weeks of the referendum date.

Negative: If more people vote 'No' than 'Yes', or the numbers of 'No' and 'Yes' votes are equal, then planning applications will be decided without using the neighbourhood development plan as part of the development plan for Shadingfield, Sotterley, Willingham and Ellough.

The Referendum Area

The referendum area is the same as the neighbourhood plan area, which was designated by the (former) Waveney District Council on 8th May 2017.

Referendum expenses

Expenses can be incurred by an individual or body during the period of the referendum, for referendum purposes.

The referendum expenses limit that will apply in relation to this referendum is £2,390.42. The number of persons on the relevant register (1 December 2022) used to calculate this limit is 363.

The Shadingfield, Sotterley, Willingham and Ellough Neighbourhood Plan

What is Neighbourhood Planning?

Neighbourhood planning is a tool which enables local communities to play a direct role in planning the areas in which they live and work.

A community can prepare a neighbourhood plan. This plan can show how the community wants land to be used and developed in its area. The plan can be comprehensive or limited in terms of the issues covered.

A neighbourhood plan has to complete a number of formal stages including public consultation and independent examination before it can proceed to referendum.

In accordance with the Neighbourhood Planning (referendums) Regulations 2012 (as amended), a copy of the Shadingfield, Sotterley, Willingham and Ellough Neighbourhood Plan is provided as one of the specified documents which must be made available in relation to the referendum. (See later section on specified documents).

What is a neighbourhood area?

A neighbourhood area can cover a single street or large urban or rural areas. Where there is a Parish or Town Council, the neighbourhood area will often follow the parish/town administrative boundary. The boundaries of a neighbourhood area are put forward by:

- Parish or Town Councils; or,
- A neighbourhood forum (a group of at least 21 people) in areas without parish councils.

In Shadingfield, Sotterley, Willingham and Ellough, the boundary of the neighbourhood area was determined by the (former) Waveney District Council on 8th May 2017 and comprises the whole of the parish of Sotterley, Willingham and Ellough (see map above) and the majority of the Shadingfield Parish at the time the Neighbourhood area was determined. The Parish boundary for Shadingfield is due to change on the 1st April 2023, the resultant change will transfer thirteen properties and open land from Shadingfield to Redisham Parish. The agreed referendum area is identical to the neighbourhood plan area.

Who can prepare a neighbourhood plan?

Neighbourhood plans are prepared by town or parish councils, or neighbourhood forums. In the case of Shadingfield, Sotterley, Willingham and Ellough, the Neighbourhood Plan has been prepared by Shadingfield, Sotterley, Willingham and Ellough Joint Parish Council (the Qualifying Body).

What is a Development Plan

In England, the planning system is plan led. Planning law requires that applications for planning permission must be determined in accordance with the development plan, unless material considerations indicate otherwise.

A development plan is a set of documents that set out the policies for the development and use of land across the entire local planning authority area.

The local planning authority is East Suffolk Council. The adopted Local Plan for the East Suffolk area is the Waveney Local Plan (March 2019). Suffolk County Council is the relevant local planning authority for matters relating to minerals or waste.
